“ I am so sorry to read of Lydia's passing. She was larger than life with a heart even larger. I have not seen or spoken to Lydia in years but have often tried to locate her with no success. Julie Rusnak called me this week and told me she just looked her up out of the blue and found her obituary. We are both so very sad. Our high school years were laughter and fun and silliness. We were together as friends thru to about age 30 when I moved to LA. I am so sorry to not be able to catch up with her one more time. Julie, Karen, Liddy and I were great friends and enjoyed many good times made more fun by Liddy and her sense of fun and adventure. God bless her family and may she rest in peace.
