“ *Jean was a joy to know. I had the good fortune to work with her for eleven years and then as a friend for 36 years.*

Jean was a conscientious employee who never had a cross word with anyone. She was always up and positive and helped me be more positive when things were hat not going well.

She was a devoted mother to her children and grandmother always putting them first in her life. But the thing that made her unique was how much she loved people. She made people feel special because she thought they were special. Everyone who knew her considered her a friend.

She was truly a person who was a positive influence on those who knew her. Jean will be missed.

“ Jean was a lovely lady with a great sense of humor!
She was a gem in the lunch room at SMNW and treated all of the
students as if they were her own.

“ What a beautiful lady, she took all of us in at school like we were her
own. She loved being around us and had such a fun sense of humor.
I can't think of a better mother, and I'm sure a grandmother and
great. She loved with all her heart. Prayers for the family where the
hole will be for her, but know that you will all be together again. God
Bless!!

“ So sorry to lose Jean again! We had worked together in the 1970s at SMNW library and became good friends as the two library aides. Just recently we found each other and have enjoyed lunch regularly with the librarians after all these years. What a blessing that was and it is so sad it has to end. What a joy Jean Schooling was and so loved by everyone, even the students. It was a real blessing that she became a part of my life again for a little while. Rest in peace, Jean -- I will miss you but hope to see you again on the "other side".

“ I am so sorry to hear of the passing of 'Momma Jean'. She was such a wonderful person, full of life every minute I knew her. I worked with her as a library assistant at Shawnee Mission Northwest, many fun hours spent with her and Chris Riddle!
