

Maddie Lee Adkins

January 23, 2018 - January 28, 2018

Maddie Lee Adkins, precious baby girl of Mariah Adkins and Joshua Ayres, went to sleep peacefully in the arms of her loving parents, January 28, 2018 at Overland Park Regional NICU. Born 8:14 am, January 23, 2018, at Menorah Medical Center, she weighed 6lbs 1oz and was 17 inches long. Maddie was born with her Mommy's nose, Daddy's hair color, brother Landon's ears, and as beautiful as her sisters, Kylie and Riley.

She was prayed for by many and although the miracle prayed for, was not to be, each day with us were miracles in themselves. Maddie's family was blessed with holding her, rocking her, singing to her and loving her. During her five short days here on Earth she touched many lives, was loved beyond measure and gave a lifetime of memories. She was a beautiful mystery and will leave a legacy of a lifetime of knowledge to her Doctor's.

In that brief and precious time she spent here, she received immeasurable care at Menorah Medical Center and Overland Park Regional NICU. Maddie was held in Grace and loved as their own. Our hearts are full of gratitude to the wonderful nurses, transport team, Doctors and staff. Their efforts were exhaustive and endless. They answered all our questions, shared our frustration, comforted us and cried with us. Maddie was truly their family. Maddie shared her life circled with love by Mariah, Josh, Kylie, Landon and Riley. Included in that sweet circle of love are her grandparents, Erma (Allred) and Richard Adkins, Sharla (Mullen) and Scott Koller, John Ayres; her great grandparents Charles Mullen, Marva Mullen, Joseph and Loretta Koller,

godparents Wendy Smith and Clint Wilson; many aunts, uncles, cousins and friends.

She was met in heaven by her Great Grandparents; Grandma and Grandpa Allred, Grandma and Grandpa Adkins, Ronald and Patricia "Pat" Ayres, and many family members to include cousins Jake Farr and London Ayres.

Memorial services will be held from 5:00 to 7:00 pm, February 9, 2018, at Maple Hill Funeral Home, Kansas City, Kansas. With fellowship to follow at Park Hall, Kansas City, Kansas.

“ *Mariah and Joshua I want you to know it was a privilege to take care of Maddie the day she was born at Menorah Medical Center and the time she was in our NICU. As I worked to give the care she needed after delivery, I offered prayers for her and her recovery. Even though her time was short with us at Menorah, I want you to know I continued to offer prayers for her. We cannot understand why things happen as they do, but we know God has a plan. May the Lord bless and keep your family.*
