“ *Donald and family,*

Dottie and I share in the loss of your wonderful wife, mother, grand mother, and great grand mother. We will truly miss our meetings at Azalea Avenue with you and Jean, and especially, the music and movement classes on Mondays and Wednesdays. May God bless you and family in this time of separation from Jean; we know that she is still there with you in mind and heart. Our prayers are with you. I want to thank you again for the wooden fulcrum and belt trick; it is really a neat trick for the kids.
