“ There are so many memories that I could share about my mother but the one I want to share is the love she had for the lord even through her sickness, and pain and pretty much confined to a bed she would reach out to others by simply calling to see how they were doing. always trying to witness to other people even those that were taking care of her in the hospital. I will miss her very much but she at home now with her father in heaven and that gives me great comfort in knowing that one day I will see her again.

Dearest Edith, Gene and Harold, I am so sorry for your loss. It is Sept.7 and I just found out of your mom's passing. I always loved her and her sincere strength that you spoke of in her faith in the Lord. I know you would have been a faithful daughter, son and wife to Elaine. I missed seeing her after so many years. We all think of you all often and I pray you get this message because we would so love to get ahold of you to catch up on time past. This in Anthony's ex wife Kathy (Tracy and Tony's mom) Tracy told me about your loss this morning when she found out. We would have been there by your side if we had only known. Please get in touch on facebook to Katherine J. Murray and I will give you info of how to get ahold of Tracy and Tony. God love you all and so do !! RIP Elaine we love you until we see you again. Kathy
