“ *Tommy (POPS) Was our life .
Our leader that taught us to not concern ourselves with anything but our own happiness to work hard and earn everything we got ..And some of my best memories is watching him become a Grandpa to see his name being carried on with Andrew Thomas Bribiesca and Thomas James Bribiesca and then there was his only Granddaughter Demi Alexis Bribiesca that when you seen they love that no one could match ..He loved them all and was so proud of His Boys David and Danny ..And then there was the love of the Boat ..A winner but never let you know it...Love and Miss you POPS...
