tomorrow will mark 5 months since you left. It doesn't feel true some days, most days it is vastly real in my face. I miss you terribly, but miss you more for Natalie's sake. I know that you two are truly soul connected and I will forever have a thankful heart that you both chose me as your mother. I hope you can feel my love and my thoughts that continue each and every day of you until my last breath before I sleep. Go your way in peace... Nat and I are deeply saddened by your absence but relieved that you are no longer suffering. All my love to you, my sweet joy in a boy.

Today is 6 months since you left. I slept fretfully and my dreams were dark. I only realized today in the afternoon what day it is because I had been in such a fog since coming home from work last evening. I miss you every minute, it doesn't get better, but I do still feel relieved at your relief of pain. Nat and I carry each other and will continue to do so every day. I love you, my sweet joy in a boy, and cry every time I hear David Bowie or Joy Division. Nat was wearing her Joy Division shirt on Sunday when we went to the Nelson Atkins and at the very moment I was saying "I know Manuel was here with us..." a girl walked by the exact shirt Nat was wearing. Was it you? I hope so. If not, the Universe is still telling me "He is more than okay, he is at peace." I love you with every single breath in me.

Today is 5 months 5 years since you left. My head still some days can't fully commit to this reality, but I keep swimming and so does Nat. I miss your hugs, I miss touching your hair, I miss you, Nat and I - I just miss your LIGHT. I hope you hear me when I talk to you. The world just isn't as lovely without you in it. All my heart to yours, my sweet boy.

“ I am just now hearing of Manny's death - My heart hurts for you Marsha, and Natalie and Manuel. I remember singing him the Hippopotamus song as a baby and toddler. He would know it was me just by singing that song - his face would light up! I have so many wonderful memories of him when he was young. Such a beautiful soul and person. I hope you have found some peace. Julie Hostak
