“ Please accept my deepest sympathy on the loss of your beloved, Manuel. I worked with Manuel for 15 years and think the world of him. He was always slow to anger, quick to laugh and joke with us and the first to offer a hand if you needed help. He was a great person and a wonderful friend. We have and will continue to miss him. “ I can not adequately express my sympathy to you, because I know nothing can alleviate your feeling of loss. Know this about your father, brother, uncle and friend. He was a decent human being and he will be missed.

“ My heart goes out to you and your family. I remember brother Manuel as a very humble, sweet and hard working man. It gladdens my heart to know that he is in heaven right now where there is no more pain or suffering. May God's peace and comfort fill your hearts at this sad time. With prayers, Carmen Matos.
