“ *I was one of Marcellas Caregivers at Dialysis. Marcella was someone who captured my heart right away. She was always thinking of others before herself. We shared many things with each other and I will truly miss seeing her, but am blessed that I have been given the chance to know this beautiful lady and now hold a very loving memory of her that I will cherish. I will hold the family in my thoughts and prayers.*

“ *She was a beautiful lady and mother to one of my favorite students. My own mother had passed away many years ago. The students were doing a performance on Mother's Day at KCKCC. I bought a miniature rose plant, brought Mrs. Ruis on stage and sang M-O-T-H-E-R to her. It meant a lot to us both. Now I have two moms in heaven. I hope they get together to talk.*

Marcella was a very sweet kind person. I remember when my dad (Lazaro Ruis) was having surgery she came to the hospital to pray for him. I will always remember that.

Dear Felisa, Scottie, Frankie, Ashley, Jacob, and Marcella's family., I'm so sad to hear of the passing of your mom and grandma. I was happy to visit with her at the graduation gathering. No one knows the deep and personal sorrow you are feeling without her. She will be with you always in spirit and in your hearts and believe some day you will be re-united. Stay close to God, He will comfort you and and bring you peace.

*With my love and deepest sympathy.
