“ *This lovely lady will be greatly missed by her family and all that knew her. She lived a good life and when faced with adversity, she fought the good fight. Margaret was someone for whom I have great admiration. May all that grieve her passing know that she is now whole and will be with you always.*

*Margaret I miss the days when we emailed back and forth daily and talked on the phone for hours when most everyone else was sleeping. I enjoyed hanging out til 3am in your breakfast nook when I would come to visit and then try to sneak back in at dad's. I love you and am so sorry you had to go through everything. I have the wedding ring quilt mom made and you hand quilted with the scalloped edge hanging in my livingroom and it makes me think of you and mom everytime I look at it. You swore you would never quilt scalloped edges again and you didn't when mom made one for herself you quilted it straight edged. I also remember hanging out with Danny when we were little at your house and getting into trouble a lot. You, mom, dad, Kenny and Brent enjoy your reunion and watch over us - Miss you - love you!*

*Margaret I miss when we emailed daily and talked until 3 or 4 am when everyone one else was asleep. I enjoyed visiting and hanging out in your breakfast room and how you would tell me how much trouble I would be in sneaking back into dad's house at 3 am. I am sorry for all of your suffering but am glad you are now free. Everyday I see the wedding ring quilt mom made me and you quilted and I think of both of you. Now you, mom, dad, Kenny and Brent can enjoy being reunited and watch over us. Love you! Always have*
