“ My Aunt Marian was a kind and thoughtful woman, beautiful and vivacious from the first time I met her , Xmas 1946, until the last time a few years ago. She helped me pay for and receive my education by staying up late herself to get me off to work at midnite on the railroad. She loved and cared for her children and husband. She was a good Christian woman, in word and deed. She lived her life with dignity, courage, and good humor.

“ "Marian was a very special lady. She loved her family, friends and life to the fullest. I am thankful to have known her and for her being the one who introduced my mom Ruth, her cousin, to my dad Jim. She will be missed.

“ Always kind and ladylike. loved her children, and was a hard worker. Admired that in her later years she just kept going, got involved in things and didn,t just let life pass her by.

*My mother was a great mom and my best friend. We shared a lot of talks and laughed a lot. She never met a stranger and was a good friend to many. She had a rough life but still kept smiling. The Lord took his Angel home, but we will get to be with her one day. You will be missed by so many and you touched a lot of lives. God Bless You Mom and I will get to be with you one day. I love and miss you so much.
