“ *Edith, Johnny, Boog, grandkids & all the family,*

So sorry to hear the passing of your mother/grandma. We really enjoyed back in the day at the ball fields when Marie was there always cheering for the boys/grandsons playing. She was so proud of all of them as she had reason those boys were all good ball players! Those were the good ole days where memories were made. She was such a sweet & nice lady & welcomed having conversations with her. She will always be remembered. Our thoughts & prayers 🙏 be with the Robinson family during this difficult time.
