“ I THANK YOU for teaching me so many things! I will always remember our talks over a cup of your German coffee, our shopping trips, our fun times and laughter! I will also never forget the trip the 4 of us took to Las Vegas and the guys stayed up winning until we had to board the plane! We went up to the room together and slept like babies! Here's a funny story..we all went thru the "all u can eat" buffet and I remember we all went thru the line separately. .you all sat down first with your tiny plates of food..I sat down last and looked at the plates of yours and then looked at mine...OH MY did I feel like a piggy..lol..yall had lil serving and i had a massive pile..u said..u know u can go back for more right??HAHA.i was so embarrassed I hardly ate a thing..I got over that thru the years and ate as many Jumbo shrimp at Christmas time i could squeeze on my plate... Haha I will miss our Christmas gathering at your house...you always made sure the family was taken good care of and spoiled over the holidays! You have forever changed me and I thank you for that! Your were TRULY not just like a 2nd mother to me, but also a friend that I could always count on in a time of need!! I Love you "hot stuff" your "crazy" daughter (in law) ???
