“ *Sis. Ruthie, has been my friend for as long as I can remember. Her younger sister, Finny was one of my buddy's. Their Mother was a kind, loving, joyful person. Must be where Ruthie got all her fun, loving spirit. She has played in our church band for ever. She was so musically inclined. She could play just about any instrument she picked up. She has NEVER looked her age. She was ageless. We will ALL miss her so much. One memory that comes to mind is one of her trips to Israel during the 7 day war. Our church band flew over to Israel to go from camp to camp that the soldiers were holding up in and then they would play Jewish songs. Her finger tips were bloody from playing her guitar, continually. See you on the other side some day.*
