“ *I can't think of just one memory that would do this lady justice . I remember her offering me a dollar to go for a ride with her and Gpa when I was five .I remember how she loved for me to fix her hair .I remember her and I both Loving the thrift stores.I remember the look in her eye when she knew she was going to the boats .I remember when I told her she was going to be a great grandma again. Most of all I remember how she Loved Everyone ! She loved every one of us in the just the way we needed it .However it wasn't just her family that was gifted with this love .It was also all the neighborhood kids and her animals Even a stranger on the street . I love you grandma until I see you again .*

“ Grandma Dot was an amazing cook and I know we all remember her breakfasts with "hotcakes" and her Hot Rolls. My brother and I spent many summers with her and Grandpa Gene and I will always treasure those memories. RIP to a very strong woman.
