“ Thank you mom for all the talks we had at the kitchen table. Thank you mom for all the pots of coffee you put on just because I walked in the door. Most of all mom, I want to thank you for loving my father. You were a heavenly blessing in my life. I love you and I am quite sure that the world has lost someone that genuinely gave their life up to help others. I'll see you on the other side. Thank you !
Your boy, Karl

“ *Margie helped me and all of the siblings put together a flower event for dad. All of us kids took dad a dozen roses each, one Father's Day. Don't remember the year. Dad had 6-9 dozen roses that day. She helped us keep it a surprise. He cried. When we all walked in at the same time. Marge was the best step mom. She loved all of us despite what any of us were dealing with. She took great care of dad. And I appreciated her so much for that. Love you Marge. Dad finally has his best friend there with him along with mom and Bunky.*
