

Mark Clifford Jarvis

July 5, 1955 - April 4, 2023

Mark Clifford Jarvis (67) of Overland Park, Kansas passed away Tuesday, April 4, 2023, at Saint Luke's Hospice House surrounded by family. Mark was born on July 5, 1955, in Saint Louis, Missouri, to Clarence C. and Laura J. Jarvis. His mom always told him the Fourth of July fireworks were actually for him.

At an early age, Mark developed a huge love for all things sports. In school he played everything from basketball to football to track. He was a champion bowler and met many of his lifelong friends at the Mission Bowl bowling alley, where he threw his first 300 game and 800 series. He was a compassionate and incredible friend, cultivating relationships from grade school lasting well into adulthood. To his "band of brothers", he will be deeply missed.

Mark was an avid history buff and lived for the K-State Wildcats. He also enjoyed playing dominoes, Wahoo, and chess with his friends. Mark had many passions in his life, but nothing compared to the love and devotion he had for his daughter. Mark will be remembered fondly for his quick-witted sense of humor. He always had a talent for making people laugh and brightening their day. He would do anything for those he loved and if you called Mark, day or night, he would be there.

He leaves behind his daughter, Briauna Jarvis (fiancé Kevin); granddaughter Penelope McCormick; stepchildren Michael Reilley, Ritney Sutton, Matthew Reilley, and Gabrielle Carpenter; sister Peggy Rudder (husband Greg); and brother Mike Jarvis (wife Aida). Mark was preceded in death by his parents

and sister, Marie Franco.

In Lieu of flowers the family is asking for donations to be made to the Saint Luke's Hospice House (<https://saintlukesgiving.givevirtuous.org/Donate>).

“ *I grew up in the house behind Bebo's. Mark was probably the most talented person that I ever knew. You name the sport, game, whatever, and Mark was all over it, and in no time would master it.*

As the kids say these days, if you know, you know.

Mark was also charming. He was everyone's friend.

I've missed seeing him.

I'm sure you do too.

Peggy, and the rest of Mark's family and friends, I'll say a prayer for your comfort.

Mark, I'll see you at the big Skee Bowl table in the sky.

Man, we must have worn out at least three of those things
