“ *Steve was a very close friend to me like a brother he sang better with me than anybody ever did in my entire life probably the best drummer I ever had the privilege of working beside and with. We had so much fun I've got lots and lots of video of me and Steve singing together. I'm so sorry I'm just now finding out about this in February of 22 it breaks my heart I love you Steve, I love you Donna.*

“ *I was very good friends for many years starting in 8th grade. I loved him dearly. I was visiting Kansas just a few months ago from California and I desperately tried to locate him to see him after over 25 years. I am very saddened by the news of Steve's passing. My heart goes out to the entire family. I never got a chance to meet Donna but I'm sure you know how blessed you were to have Steve in your life as we all were! My thoughts and prayers are with you. God bless you, Steve. You will always be in my heart.*
