“ The love of my life has gone to heaven and is now my Angel. He will be deeply deeply missed. Mark helped me raise three beautiful children and truly was my best friend. So many memories 22 years worth. I'm still waiting for him to come out and scare me as he loved to do and he would laugh. Our time with the kids consisted of running to sporting events and coaching the kids also many movie nights and him cooking us dinner. He loved family nights with mom and dad and his siblings. When my mom came to live with us for a while he was a help mate and he and I were friends and I will forever remember him in my ❤️. He wasn't perfect no one is we all battle in life but I knew him well enough that he wanted a good life and he was God fearing. We will all miss his crazy loving way. Fly high husband 🥺 I love you
