“ *I first read about Marlin's passing in the Fort Hays State Alumni newsletter and wish to extend my condolences to the Family. I first met Marlin in the fall of 1971 when he came to work at Sheridan Coliseum as a student custodian. We hit it off and became good friends. After my graduation in the spring of 72 I still would come to Hays and stop in and visit with Marlin whenever time permitted. We had a lot of fun kicking up our heels and having fun. Since that time our paths have not crossed however I still would check and see where he was at over the years.. Thanks for the memories in our college years Marlin*

“ *Marlin and I both grew up in Bird City, Kansas. We had a lot of fun together and attended some college together. I last saw him a couple years ago and he always stopped into see me at St Johns in Tulsa. Wish I could have kept closer with him. He was a great person and I am very saddened by his passing. “ I met Marlin at St. Francis in the Heart Cath Lab. many yrs. ago. He was not only a great co-worker but good friend. It never seems fair when we are robbed from our time with those we love. I will never forget his contagious laugh, we heard it often. My thoughts and prayers are with you all. Marlin will be missed by all the many lives he touched. God Bless you all.

“ To Marlin's wife and daughter, I am so sorry for your loss. Marlin was my cousin. Regrettably, I've not had a chance to visit with him for many years. However, my childhood memories are filled with hearing his laughter, enjoying his humor, feeling his kindness and seeing his gentle spirit. The family photos posted of the three brothers says it all. I remember witnessing the brotherly antics. :). Rest in Peace Marlin. Give our love to the family members who have passed beyond the veil. We shall all be reunited again some day. Fondly, Your cousin, Polly

Fred and I met Marlin through Galichia Med and my brother Greg Boxberger. He was always a pleasant addition to our hunting group for opening day in Russell. A great Royals fan and part of our group for the play-offs and world series. Marlin was a lovely man and our prayers go out to his family in their loss.
