“ *Memory or memories, To many...not enough time in my entire life to give exactly how be great full and really value all my father did for me to my Mother and all my brothers and Sisters. We just need a couple seconds to think how all this 87 yrs that my Father was here with us always think first how to care his no matter how danger or difficult was the the job how far was from us family first since we were very littles until now. How to forget this quality of human father was. How to let it passed by just like that we should it just take a moment and think of that we are human and God don't create a perfect creature in the earth...God bless my Father in Glory 🙏❤️ and bless my Mother and all my loved family ❤️*
