“ *I am just now seeing this obituary and I'm very saddened to hear that Mary Lou has passed. She was my godmother from the time I was born and Marcia was like a twin sister to me. I think of all the memories very often of living with across the street from them until I was eight years old. I pray the Lord would bless all of you and give you peace. Many blessings to you.*

“ My Deepest Sympathy to The Farnham Family! My memories of your Mother/ Grandmother go way back to my Hairdressing career . I was your Mom’s Hairdresser since the early 70’s. She was a Dear Lady and I always enjoyed Lou especially has a friend . I will always remember your Dad Jim calling me up at the salon after Lou returned home after getting her Hair done , and telling me I outdid myself and he loved her hair(The up-do”s) But she had great hair though, makes a difference. I saw the segment on Ch 5 and I Could not believe the story concerning Lou and her being involved in that monster . I prayed for your Mom , I know it’s hard BUT she and Jim are together now and she is with her true love . Again I’m sad but I had one of thee best customers I will never forget . God Bless you all.Sandy Ziolo
