“ Liz was one of the most amazing people i have ever met, She loved and she loved HARD. I was talking to a mutual friend of ours and he said "She was so giving she would take the shirt of her own back" its the truth. We've known eachother since we were 11.. i remember we met in gym class while having to do the "Crab walk" and i was doing it in my socks and fell and she laughed at me.. then she stayed behind with me till i was able to get through it... ever since then we were inseparable, we had our ups and downs but it never lasted. She was a sweet and caring person. We all will miss her deeply, but we will not forget the impact she has left on all of our lives. her family was like my family..
