“ *David and Lucille were our neighbors...several years after David passed I had the blessing to befriend Lucille. She had the most incredible eyes full of passion and love when we talked, she not only listened with her ears but, felt with her heart. She loved her family and shared many great stories, her travels and the love of her life David "*

“ *What a roll model Lucille was for our grandchildren Phil and Susan as she cared for them all their growing up years. Lucille must have told Susan how pretty she was when she smiled in her early years as Susan most always wears a smile on her face. Remember Susan telling us in an early year after she had gotten in our car to go someplace,, "I lo-o-o-ve Aunt Lucille." Then there was Phillip whom she always saw that he was ready to go out the door to go anyplace we were supposed to take him to. Thanks family for sharing your mom with the Kroh's.
