“ *Mary thank you for being a kind and helpfull friend. When I needed help with my children you were there. Matthew was tended to after a months stay in the hospital by you and Johnny, as I was tied up with three other children sick with the mumps. You welcomed Laura to spend summer vacations with your family. I have many happy memories of our families together. John, Pam, Tilley, David and extended family may you find confort and graditude int years God gave you together and the family He blessed you with. May His mercy and love sustain you in this time of sorrow.*

“ *"Thank you for giving to Lord" is a song that makes me think of my Sunday school teacher - Mary. One day I will tell her Thank you in heaven because she taught me so. Thank you Johnny and family for sharing such a wonderful lady with us. God bless you and keep you close. Love - Vicky Garcia*

“ My little sister was a precious woman and a true woman of our Lord. Her passion was working hard for the Lord, and was always willing to give of her time freely. I talked to Mary every day asking for her advice even though I was the older sister. When she visited me she always brought me something from her garden or would bring some taquitos. My sister was a giver and always placed others above herself for she volunteered throughout the years during VBS, Sunday School, church banquets, etc. She never tired working for her Lord. She was one in a million - an angel sent from heaven, and the world won't be the same without my sister.

“*Mary will be deeply missed. I have such wonderful memories of her as my Sunday School teacher and during VBS. I was blessed to have her care for and teach my children when they were little in the church nursery. She was a woman of God and inspired us all to live a Christian life. She was such a hard worker and formed part of the foundation of our church. My thoughts and prayers go out to the family.*

“ Dear Salas family, We will miss Aunt Mary terribly. She was an angel on earth to me...ready to serve in God's work, ready to help those who needed help, and ever so sweet and humble--never a mean word about anyone--that is how I remember my aunt. She watched my three children when Joel and I would need a date as well as my friends from Texas children! She housed me and my sister, my cousin, and who knows how many more people. We spent summers with them numerous times...wonderful memories. I loved her and have great respect and admiration for the hardworking and giving Christian woman she was. I pray for her family who has been left behind that are grieving and missing her. I pray for a peace and strength from our Lord for them. My Aunt Mary has completed her journey "as a good and faithful servant". Lovingly, her niece, Cindy Flores Aldape
