“ I remember Aunt Mary hosting a wedding shower for Sam and me. The cake was beautiful. She was so talented. I still have many gifts that she made for us, and I use them to this day. She always made me feel like a part of her family, and I loved being with her family and seeing her at Les and Mathalee's house. She always had an encouraging word for me. Our condolences to the whole family.

“ *i Will always have a special place in my heart for Mary. She made my wedding cake and of course it was delicious. I especially remember her Whoopi's pies she made. Not only was she a great baker but a kind person to me. God bless you Mary and your family.*
