“ *I Loved this dear lady. I met her when I was around 12 years old and they became like a second family to my sister and I. She loved the lord and loved her family .Everyone was family to Mattie. She was just the like if they were going someplace and you wanted to go - get in the car we will make room. We spend many weekends at the Lake with them.
Mattie and the Wright family will always have a special place in my heart.*
