“ *I miss my grandpa so so much! He loved with every ounce of his soul. I have so many great memories of him. Too many to pick just one. He was so wise and always knew what to say. He understood me in a way I could never quite understand. He was so giving and always willing to lend a helping hand! He was such a godly man. I will forever look up to him and look forward to the day I get to be with him again! I love u Grandpa <3*
