“ *A thousand times we needed you  
A thousand times we cried  
If love alone could have saved you  
you never would have died  
A heart of gold stopped beating  
Two twinkling eyes closed to rest  
God broke our hearts to prove he only took the best  
You were with us all our lives taking care of us with your love  
You're still with us in your death, looking down from up above  
God gave me a great Father and I am truly blessed  
I will mourn for you but I promise to see you when it's time for me to rest*

*Love, Monica, David, Sarah, Joshua, and Jacob*
