“ Cynthia and I welcomed Jean and Chrissie into our home for six months after Chuck returned from Vietnam in 1967 and was posted to the Presidio in San Francisco. At the time, I was stationed at McClellan AFB in Sacramento. Cynthia, Andy (our first son) and I were living in a converted garage in rural Sacramento at the time. Chuck and Jean accepted our offer to stay with us as it afforded them the chance to be together when Chuck was off duty. It was there that our affection for Jean and Chris was sealed for a lifetime. During our many visits to KCK over the years, we never missed an opportunity to spend quality time with Chuck and his family. Those memories are precious to us. To Chuck, Sarah, and Lisa, you have been in our thoughts and prayers during these trying times. We pray that God will sustain you and give you peace. As for Jean and Chris, they are truly "safe in the arms of Jesus".

*Affectionately,*

“ Dear Uncle Chuck And Family,  
On behalf of the Bullard Family I would like to extend our heartfelt love and sympathy.  
Aunt Annie Jean and Chris will forever hold a special place in our hearts.  
When Melissa died I found comfort in this piece of scripture: "But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope. I Thessalonians 4:13. Then if you will read the remainder of this chapter it really will bring you comfort.  
With Love,

Celester ( Aunt Tack),  
Carla Kay, and family

“ Oh how I loved to spend time with Chrissy laughing and talking about her jewelry, the bracelets that hung above her bed. I pray that during these difficult times that GOD would comfort you all and give you strength, and please know that you've been in our prayers and will continue be. Loving you all, Marsha and Family....

“ Sarah, Lisa & Uncle Chuck, It is my prayer that God will give you comfort and strength to cope with the loss of Aunt Jean and Chrissy. I know that it doesn't feel like it right now but your Mom and Dad instilled you with more strength than you realize because God saw where the day would come when you would need it most. I know I've said this hundreds of times in just the past year but please know that I Love You all and I am here for you if you need someone to talk to, day or night. May God bless and keep you all close in the coming days and nights.
