“ *Delores, I am so sorry to here about Mike's passing. He was such a great guy. My first memory of Mike was at Stanley He was in the 6th grade and I had to cross the 6th grade playground because girls weren't to cross boys playground. Anyway he came over acted like he was going to step on my toes and was smiling me being so much smaller than the sixed graders guess he saw I was scared. He told me smile. I did and he walked me to steps to go down to my playground. I never was scared crossing again. Years later I remember seeing him at the Wood house when I ran around with Karen and he ran with Mike and Bill. One time he took some of us on ride and he hill jumped 42nd street that was fun. Then years later Mike and Larry worked at Omega Mike got him the job. And the year Mike played on Larry's team. The last time was about a year ago Amy and I saw him at Dollar General we talked for awhile then he said I got to go my ice cream is melting. And he laughed and left. I never saw Mike mad he always had a smile and his laugh it was one of a find. He was a great man. Again I am so sorry to hear of your loss.*
