“ *Sorry to hear about Mikes passing. I remember when we played as kids within family home located on South Locust St. In Grand Island. Larry Bredthauer Class of 66*

“ *Mike was part of the GI Senior High Debate Team. During our senior year we had a tournament in Fremont. There were 6 or 8 of us that shared a motel room for the 2 day tournament. Mike fell asleep first. Around midnight we woke him up and said we'd overslept and he needed to make sure the coach, Dale Black, was awake. He fell for our prank, and woke up the coach. When Mike returned to the room we were all laughing. Saturday morning, Mike, and our team, were the talk of the tournament. Mike is the second member of the team to pass this year, preceded by Bill Kelly. I'm saddened by this news, having known Mike since 6th grade. My thoughts are with the family.*

“ Dear Terry. I'm so saddened to hear of Mike's passing. He and I worked together at Presbyterian Ministers Fund/Covenant Life Insurance and officed together in Overland Park. We shared many fun and rewarding experiences together over our nine year years together. Mike was an inspiration and a great testimony of his faith and commitment to his Church and to our Lord Jesus Christ. We got to see our kids get involved in the great ministry of Kansas City Youth for Christ!

I'm praying for you and your family that the grace of our Lord Jesus Christ sustain and comfort and bring healing to you all.
