“ I was very sorry to learn of his death when my daughter, Jody Weaver Luce, forwarded the obit information. I hired Mike when I was working at H.D. Lee. I played softball with Mike for many years. I think I know when the Chico tag was first used. Mike was a great friend for many years. I left Lee in the fall of 1979. I was acquainted with Mike Forsythe and played on his softball team a few times with Mike. His wife Janice also worked for me at Lee for a time.

Since I retired from Ash Grove Cement in 2008, I have written over 70 stories about my life and the people I've come in contact with. Jody has prompted me for many years to write a story about the tournament softball team and why we always lost the second game and spent the remainder of the weekend winning in the loser bracket. When she was a little girl she attended many of our tournament games. Of course Mike was front and center in all our games . My detail memories of the past sometime elude me, as in the case of the years I worked and played softball with Mike. I'd love to hear from the family and maybe they can fill in missing info for me.

Mike was a great guy and I considered him a true and loyal friend. I'll pause my story for a few weeks. I look forward to your call.

“ I was so sorry to hear of Mike's passing and my heart goes out to his family. Mike was a fixture at George Meyn Community Center on Monday nights for the last 15 years or so where he took great care to make sure that everything was up to snuff for the 100 karate students and their families who came in for weekly classes. As the instructor, I could always count on Mike to look out for my needs. Before and after classes, we had great conversations about Royals baseball and KU basketball. I'll miss his humor and easy-going manner!

“ Dear Pat, Jeff and family, I am so very sad and sorry to hear of the passing on of Wellsy. Hearing his name always takes me back to the fun days of softball, Piper Jr/Sr High and 7th grade math class, and just the friendships we had! Those were the days! Mike very much added to the joy and fun! Always smiling with a twinkle in his eye like he was up to something...please know that you all are in my thoughts. I pray memories of him give you eternal peace and comfort.
