“ *How do I get through one night without you
If I had to live without you
What kind of life would that be
Oh I, I need you in my arms*

*Need you to hold
You're my world, my heart, my soul*

*If you ever leave
Baby you would take away everything good in my life
And tell me now*

*How do I live without you
I want to know
How do I breathe without you
If you ever go
How do I ever, ever survive
How do I
How do I
Oh, how do I live*

*Without you, there'd be no sun in my sky
There would be no love in my life
There'd be no world left for me
And I, oh Baby, I don't know what I would do
I'd be lost if I lost you*

*I
f you ever leave
Baby you would take away everything real in my life
And tell me now*

*How do I live without you
I want to know
How do I breathe without you
If you ever go
How do I ever, ever survive*

*How do I
How do I
Oh, how do I live*

*Please tell me baby
How do I go on*

*If you ever leave
Baby you would take away everything
Need you with me
Baby don't you know that you're everything good in my life
And tell me now*

*How do I live without you
I want to know
How do I breathe without you
If you ever go
How do I ever, ever survive
How do I
How do I
Oh, how do I live*

*how do I live without you
how do I live without you baby
how do I live....*

Micheal you'll always be my one and only love, life will never be the same without you and no one will ever take your place. I'll be counting the days until I can hold you again.

Forever your Babygirl Liz
