“ Mike loves watching the Chiefs play, I still remember going over to his house with his brother and family to watch the Chiefs win the Super Bowl back to back like it was yesterday. Mike will be missed.

“ We are Mikes neighbors, we didn't know him real well before his accident but what we saw after was an amazing event. Before he came home his yard was full of cars, trucks, people and equipment. At first we weren't aware of what had happened. My husband finally stopped by and asked what was going on. He found out that all of these people were remodeling the house for Mikes homecoming. It was an indication of the kind of person this young man was. My husband became friends with Mike and they spent time sharing life information with one another. He was a wonderful guy and we will miss him. Prayers to his family from Yngve and Barbara
