

Dale Cooper

December 23, 1938 - January 19, 2025

Myron Dale Cooper, 86, of Kansas City, Kansas, passed away peacefully at home on Sunday, January 19, 2025, surrounded by his loving family. Born on December 23, 1938, in Greeley, Colorado, Dale was the son of Chester and Mildred Cooper. Shortly after his birth, the family relocated to Kansas City, Kansas, where he would spend the rest of his life. Dale dedicated 43 years of his career to the railroad, working as a Carman before retiring. In his free time, he found joy in fishing and savoring the fish he caught. A talented craftsman, Dale loved building and renovating homes and was always tinkering with projects, never content to be idle. His hands were rarely still, and his creativity left a lasting mark on everything he touched. Dale married the love of his life, Judy, on April 24, 1982, in Kansas City, Kansas, marking the beginning of a cherished partnership. He is survived by his devoted wife, Judy; her children, Julie Burtzloff of Jacksonville, Florida, and Scott Weller of Independence, Missouri; two grandchildren, Matthew Weller and David Burtzloff; and two great-grandchildren, Wyatt and Shelbea. He was preceded in death by his parents Chester and Mildred. A Memorial Visitation will be held from 10:00AM-12:00PM Saturday, February 8, 2025 at Maple Hill Funeral Home.

“ Aunt Judy, Scott and Julie.....I'm so very sorry about Uncle Dale. He was sure a character. I enjoyed our visits at the Bitely cabin. Lots of great memories there.... He will be missed so much! I wish you all both peace and keeping your memories close to your hearts to help you grieve.

Love you all so much

“ I will always remember Dale with great fondness, a kind soul who was always friendly with a story to tell that most often left you laughing. Always ready to lend us helping hand even at times we knew it wasn't easy for him to do so. A man who will truly be missed by all that knew him.
