“ As we lay you down to rest
We put ourselves to a test,
How have we lived this life of ours,
Have we left many scars
Did we live as well as we could,
Loved as many as we should
Filled hearts with laughter and with joy
Or did we do things to annoy
Did we leave a footprint of Love
Or change a raven for a dove
Did we question wrong from right
Help someone through the night
Did we visit without watching a clock
Write words of Love and not in chalk
Did we come with empty hands
Or only play tunes to our own band
Guilty or not we all have seen
The Love you had for them and me

You were the best and always there
And I wish I could still hug you like a bear
Will always love you to my end
My dearest Aunt and my best friend!!
May the Angels of God have their wings wrapped around you for
your safe journey to the Glorious Heavens of dear Lord Jesus
Christ.

“ I am going to miss you so much. You treated Donna and I like daughters, and you loved my little Evik so much. The world has lost a true angel. I love you Nancy.
