“ Sweet Heart of a lady who loved the Lord. Loved family, friends & all those grand babies.

When she was in the room you new because of her wonderful smile could be seen by everyone. She didn't know fear around anyone and would shout out amen and lift her hands to the Lord in praise. Loved by her church family & Glory Barn singers every Saturday.

“ I woke this morning with Aunt Toots on my mind. I thought of when I first got the news of her passing and the memories came flooding back. The one thread in all of them was how the simple times, ie fishing, family fun, just sitting and visiting, even playing yahtze were so much more fun with her presence. I thought of your grandmother and it is so easy to see how she came by the personality she had. I thought of the special man we call Uncle Ernie she brought into our lives, but the greatest thought of all that comes flooding through was the love she showed everyone. Lynn Swartz Sweeney, especially has said so many times Aunt Toots was the one who made her feel so accepted and loved when she became a part of the family. My prayers are with everyone during this difficult time, Love you.

I am possibly the daughter-in-law of the Uncle Ernie you speak of! (Erhie Duvall) My husband's uncle was Ed Poor. We have a photo of young Nancy (we believe) that we would like to send to someone in her family if anyone sees this and can provide information? You can email me at [jilltoles@hotmail.com](mailto:jilltoles@hotmail.com)

*I give Nancy credit for convincing me to marry my husband, Paul Eugene Williams. She lived next door and was best friends with his mother, Dixie. She and another lady took the both of us to all the gospel sings in town. She told me that he was a good guy and I figured that she should know.*
