“ *I loved viewing the video and reliving many of those special times we shared. Ruthie always had time to hold a child. One special memory of mine is her giving generously of her time and coming to Colorado to help me after I had shoulder surgery. My memories of Ruth and her family are may and are all so precious. Love to you all. Mary Meech*

“ *When I notice 'Naomi' I think also of Ruth's Mom. A special generation & my aunts & uncles were special, hospitable friends to many. Ruth & Chuck & family- living in KC did often make it to family events in Newton & always added to the enjoyment of those gatherings.*

I am now recalling their 60th wedding anniversary that many of us attended in KC. & needed introductions to their grown & growing family.

“ I remember my brother and I used to visit with Great grandma and grandpa sometimes whenever our parents were working and while we were there, we'd often walk over to the bridge and watch as the trains went by underneath. It was so cool; it was so loud and it made the bridge shake. I can never go past a bridge or by a train without thinking of them.

We'd also make her delicious lemonade - the kind that had way too much sugar and freshly squeezed lemons, limes and a splash of orange juice. The kind that no other lemonade could ever compare to. Every time we went there, we'd beg her to make some. We even had the bright idea of wanting to start a lemonade stand - of course we never did. It's still my favorite drink today.

We would play board games like scrabble or connect four. She was the one who show us how to play Chinese checkers for the first time. It was our favorite thing to do - that and play on her keyboard. When I was younger, she even tried to give me keyboard lessons.

Every Christmas, she'd gather up all the young children and have them sit in a group while she read about the First Christmas; educating them about the true meaning of Christmas and where it originated. It's a tradition that's been going on since I was little and one of my many fond memories.
