“ *Naomi had the greatest zest for life manifesting from her various crafts to her money making ventures to travel to cooking and so much more. She lived by her heart. Those close to her benefitted from her boundless generosity and endured her temper. She could be a force to be reckoned with. She wasn't blessed with good health or luck in life but perservered and really lived her 96 years. I'm blessed to be her goddaughter and have spent my life close to her. Naomi will be missed so much.*
