“ *I only knew Natalie for a short time. What I will remember most about her is her smile. I enjoyed the many conversations I had with her. She was very compassionate I could tell as we talked about my mother who has cancer. I wish I could of known her longer.*

“ Natalie, havent seen you in years.. We worked together at Montgomery Wards,offices.way back in the 70's You were always so positive,and caring.. Even with your own health issues, You always had a smile on your face. Even when you didnt feel well. YOu and Cindy and I always had so much fun together.. As you know Cindy passed this August.. Think I get it now, She left us early, so she could be waiting for you in heaven. She will welcome you along with your family with open arms. Natalie, you have always inspired me, with your positive attitude. Your memory will live on. Tell Cindy hello for me. LOVE YOU BOTH Patti Marrs.
