Gordon and I send our deepest sympathies, thoughts and prayers to the family of this gift from God. May you find comfort with the sweet memories of Nathan. You are the greatest parents and there was a plan, as of all the people that God could have given that sweet baby too, he chose you because you had the most love and care to share!

“*My heart broke when I came to work that morning and heard the news. I know I am not alone when I say how much Nathan meant to us on the unit and how much we all love you and are praying for you in this difficult time. My heart goes out to you and the rest of your family. Nathan will never be forgotten.*
