“ My sympathies to all of Mae's family. I worked at Morris Elementary for 6 years with Mae and loved going into the office to talk to her. She was so proud of all 6 of her children and could tell some great stories. She brightened many of my days there.

“ *I found my Aunt Mae in 2011, and I'll never forget the fun times we had researching the Clayborns and Hylton's at the Newton County Courthouse. Laughing at my Great Uncle Hylton's charge for stealing a pig and many prosecutions for others disturbing the peace of Arkansas due to their intoxication! The funniest memory was at our bed & breakfast in Charleston at the Claiborne Reunion. We had high 4-poster beds and I wasn't sure how to get into the bed. Mae flung herself up laughing that she made it! She laughed as I struggled to get myself up. Later she found steps stored under the bed and we laughed that we hadn't thought of that first. She was warm, loving, and felt like family immediately the first day we met. I'll miss her dearly, but thankful that I had the time with her that I did.*

“ *My cousin Mae gave me my very first ride on a horse! Her father my Uncle Thurston had horses and my family and I were visiting for the Fourth of July. Way back then (late 50's) fireworks weren't allowed in Michigan but in Missouri everyone had them! I was only 4 or 5 so I couldn't ride a horse by myself. I didn't agree with that stupid rule and wasn't happy at all! My cousin Mae took me with her for a ride! I remember how I felt to this day! Sitting way up, towering over everyone watching me ride a horse it seemed like I was 20 feet tall! I was nervous at first but Mae squeezed me and held me tight telling me she wouldn't let anything happen to me because she loved me just that much! And now I know she is up there in Heaven riding that horse with all of our loved ones by her side! Rest well my sweet cousin Mae! Thank you for many wonderful memories of time spent together with you! I love you and will see you again one day!*

“ All Mae’s kiddos I’m so so sorry to hear of your special momma passing!!! Mae was truly one of the sweetest lady’s I’ve ever had the pleasure of calling friend!!! Loved working with her, loved hooking up for lunch after she retired!!! Above that I so valued how much she loved and protected Matthew and how she blasted Bob Seager when she’d pull into work every morning!!! She always made me smile and gave from her heart!!! I’m sorry I can’t make her celebration of life but continue to pray for you all!!! God bless!!!
