“ *When we think of Aunt Nina, we think of everything good, most of all family and love;*

When we think of Aunt Nina we think of fun and happy times and know she's with our mom and her best friend up above.

*She loved kids and kids loved her so much too;
If you needed ANYTHING she was always there for you.*

*She was beautiful inside and out, such a treasure to all;
Knew all the family history and could instantly recall.*

*Wonderful family dinners, Halloween parties for all us kids, and oh!
That beautiful white convertible car!
When she drove up in that she was more beautiful than any movie star!*

*Thank you, thank you Aunt Nina for all you have been and the the wonderful memories we three will always keep;
All the happiness you brought and gave makes it much easier to smile and not weep.*

*God Bless You,
Your nieces,
Nina, Norma and June*
