

Olivia Elizabeth Stauffer

February 27, 2022 - February 27, 2022

Olivia Elizabeth Stauffer was born on Sunday, February 27th 2022, at 8:55 p.m. to Michael and Regina Stauffer at the University of Kansas Medical Center.

Olivia's parents were blessed with an hour and 6 minutes with her, before she died peacefully in the arms of her parents due to a Congenital Diaphragmatic Hernia. Olivia experienced holding hands with her mommy and daddy, hugs and kisses and being told "I love you" an uncountable amount of times.

Olivia is deeply loved by her mommy and daddy, angel brother Alek and angel sister Elizabeth, her grandparents, aunts and uncles, cousins and many others. She will always remain her parents' precious baby. A beautiful baby girl who touched so many lives in such a brief time.
