“ *My sympathy to Mae's family. She was a very nice person & a neighbor to My Brother George. The day of his funeral we all gathered at her house. She was so loving & supportive. She will always be remembered for her kindness.*

“ *Family... My thoughts and prayers are with everyone. We know where Aunt Mae is right now - she is most likely catching Uncle Erman up on everything. Do you think they are playing cards again sitting at the dining room table just like at the old house like they did so many times? Sitting around drinking coffee together? Will there be coffee in Heaven?? I know this is a sad time because we will miss her but I am so glad that we know where she is right now. Thinking and praying for God's peace for each of you.
