“ *My son (age 10) was a pen pal of Ollie's he spoke of her often and we just loved reading her letters. I never got to meet her face to face but definately felt like I knew her. He is heartbroken to hear the news. Our prayers, thoughts, and hugs to all!!!

“ *Ollie was a beautiful lady inside and out and a wonderful role model for us all. I was fortunate to have grown up in the same church and in the same neighborhood; not very far from her home. She was my Sunday School teacher many different years and I sang in the church choir with her. I feel fortunate that I had the opportunity to have a conversation after many years of being away from the area, several years ago at one of the last RHS reunions. You will be missed by many.*

“ Ollie was my Sunday School teacher for several years at Shawnee Blvd. Christian Church and to this day I appreciate how much she taught me. She was always one of the sweetest ladies i knew. I am thankful I had a few opportunities to visit with her in the last few years.

My thoughts are with your family.
