“ We have such good memories of our neighbors Oney and Jack on Carter Circle. They were the first ones to greet us when we moved into our home located next door to them. Krista was only two at the time so they watched our family grow and got to know our children through the years. We also got to meet Jack and Oney's wonderful family and share in their joy as they became grandparents and even great grandparents. I know our three children share in our sincere condolences to Jack and his family. Oney, you will be greatly missed by all who knew and loved you. God bless, Jack and Paula Gustin
