“ *Butch and I go way back at GM. Butch was my committee man in the trim department in the old plant. We played softball at Regan and City Park. Where I got to know Marlyn, what a sweetheart. Miss her and her smile! Butch and I also bowled together in the UAW bowling league. Glad I got to meet Butch, and family, on life's highway. RIP my friend! Heartfelt thoughts, and prayers, to the family.:(*
