“ Pam was a great person. I had the pleasure of working with her when I first started in the Adjustments Department at UMB. Then, I still got to work with her as we have a lot of dealings with the ARP department that she transferred too. She will be greatly missed. My prayers are with the family at this time of loss.

Words can't say how sorry I am for Pams friends family and coworkers. I went to High School with Pam. I remember gossiping about people when we were on the bus. Keep in mind we were the cool kids so we were at the back of the bus (haha). We would also go To Skateland where we would stare at the hot guys as we skated around. Pam you are so missed already and will always be my good friend.
